

Dog vaccine record template

Copy the dates off the certificate. The expiry column is the one kennels check.

MICROCHIP NUMBER

CORE VACCINES

Copy the expiry from the certificate rather than calculating it — rabies and DHPP come in one-year and three-year products and the label decides, not the calendar.

VACCINE	DATE GIVEN	EXPIRES	CLINIC	BATCH NO.
Rabies				
DHPP / DA2PP				
Bordetella				
Canine influenza (1st)				
Canine influenza (2nd)				
Leptospirosis				

ANYTHING ELSE

Lyme, rattlesnake, and any titre results your vet has run.

VACCINE OR TEST	DATE GIVEN	EXPIRES	CLINIC	BATCH NO.

PARASITE TREATMENT

Kennels ask for these nearly as often as they ask for vaccines.
